

Disclaimer:

Treatment addresses the whole person, regarding no difference between the physical, mental, and emotional aspects of healing or well-being. Treatment is designed to precipitate change by bringing awareness to the body, thus inducing the body to heal itself. The modalities and services offered are primarily an educational process enabling you to care for yourself in a more informed way. Using this information or service is your own responsibility for your own physical, emotional, mental and spiritual well-being.

The training, coaching and services offered helps to enable you to better understand yourself and improve your functioning as a complete being in harmony with yourself. You are not treated for any illness, disease or deformity.

It is not intended to diagnose any physical or mental condition, or to prescribe or promote any particular products or services.

It is not intended as a substitute for the advice and treatment of a licensed medical professional.

The client assumes and accepts 100% responsibility for his/her own health and well-being and therefore assumes and accepts total responsibility for all consequences physical, emotional, psychological and spiritual of receiving treatment.

The practitioner is entirely and absolutely absolved from all and any charges pertaining to the client's response to receiving treatment.

The information and advice given is in no way a substitute for medical advice, nor does it replace your professional medical doctor's (GP's) care.
